[Other Items that CGC Trading Cards Does Not Grade](#)

[No Grade Reasons](#)

Cards that CGC Trading Cards Does Not Currently Grade

- Pokémon - Funskool

- Card games that feature Marvel characters such as OverPower or Vs System
- Super Dragon Ball Heroes

### Other Items that CGC Trading Cards Does Not Grade

- Cards deemed too fragile to encapsulate
- Square Cut cards from the Wizards of the Coast era without provenance
- Square Corner Digimon cards
- Unofficially stamped cards
- Fantasy, unlicensed or homemade cards
- Cards artistically altered to make them appear to be a better card type
- Counterfeit or replica cards

### No Grade Reasons

<b>A C</b>	<b>Altered Card</b>	Given to a card that has been altered in order to deceive. For example, the addition of a fake 1st Edition stamp. Submitter is charged the grading fee.
<b>D C</b>	<b>Did Not Cross</b>	A card submitted for crossover that did not achieve the minimum grade specified. Card will be returned in original holder. Submitter is charged the grading fee.
<b>IT</b>	<b>Ineligible Type</b>	A card that is not currently eligible to be graded by CGC Trading Cards. Submitter is not charged the grading fee.
<b>N C</b>	<b>Not Suitable for Certification</b>	A card that is unable to be encapsulated. The reason may be given for cards that are too large or too fragile to safely seal in a holder. Submitter is not charged the grading fee.
<b>N G</b>	<b>Not Genuine</b>	If a card is counterfeit, it will be returned raw. Submitter is charged the grading fee.
<b>Q A</b>	<b>Questionable Authenticity</b>	If a card's authenticity cannot be verified, it will be returned as "Questionable Authenticity." Submitter is charged the grading fee.

<b>SA</b>	<b>Sample</b>	A grade only used on Sample holders given out at special events.
